2009 Delaware Ornamental and Turf Workshop

Hockessin Memorial Hall Educational Seminars

Come spend the day at the Delaware Ornamental and Turf Workshop. Hear the latest in turf and landscape concepts from experts in the field. Improve your skills, increase your knowledge and earn valuable pesticide credits at the show.

Lunch will be provided.

- 3 Pesticide Application Recertification Credits available for Delaware
- Credits also available for ISA, PA, NJ, MD
- 1 Nutrient Management Credit

Directions

From I95: Use Ext. 5B. Go North on Rt. 141 (toward Newport). Follow Rt. 141 to Rt. 48. Turn left on Rt. 48, Rt. 48 merges with Rt. 41 North. At the fourth traffic light, after the merge with 41, turn left (Wawa on corner). Entrance to Memorial Hall on the left.

From Rt. 7: Follow Rt. 7 to Valley Road (Rd. 294). Turn East on Valley Road. Follow Valley Road approximately 2 miles to first stop sign. Turn right at stop sign onto Old Lancaster Pike. Turn left at 1st stop sign. Entrance to Memorial Hall is on the right.

Delaware Ornamental and Turf Workshop Program Schedule

- 8:30 - 9:00 Registration
- 9:00 - 9:45 Great Geophytes (BULBS!) for the Delaware Valley
Chad Nelson, University of Delaware
Want to increase the visual impact of your landscapes with bulbs? In this session Chad will present some of the proven best perennializing bulbs for our area. By integrating these into your landscapes you can add cost-effective impact that will have the potential to increase annually, instead of throwing "mad money" at bulbs that are short-lived in our climate.
- 9:45 -10:35 Controlling Armored and Soft Scales - What Works and Doesn't Work
Stanton Gill, University of Maryland
- 10:35 -10:45 Break
- 10:45 -12:00 Abstracting Nature's Patterns:
Peirce's Woods at Longwood Gardens.
Gary Smith, W. Gary Smith Design
A detailed look at the design process for Peirce's Woods, an "art-form" garden of native plants - including field studies in native ecosystems, nursery visits, site inventory and sense of place studies, development of a design and planting plan, garden implementation, and ongoing garden development.
- 12:00 -12:45 Lunch
- 12:45 - 1:35 Ambrosia Beetle and Emerald Ash Borer Updates
Stanton Gill, University of Maryland
- 1:35 - 2:25 Crabgrass and Yellow Nutsedge Control: Overview, New Products, Combinations and Formulations
Stephen Hart, Rutgers University
- 2:25 - 3:15 Mixing Sustainable With Traditional
Sue Barton & Tom Taylor, University of Delaware
Sue & Tom will address the "Whys, How, and Obstacles" faced when incorporating sustainability into the landscape.
