## Delaware Ornamental and Turf Workshop Program Schedule

- |               |  |
|---------------|--|
| 8:30 - 9:00   | Registration   |
| 9:00 - 9:45   | Great Groundcovers<br><i>Dr. Susan Barton, University of Delaware</i><br>In sustainable landscapes, plants are used to cover the soil and mulch is just a temporary solution until plants grow together. But, what groundcovers are out there other than the big three - pachysandra, ivy and vinca (which are all on one invasive list or another)? Come learn about great ground covers for a variety of landscape situations. |
| 9:45 - 10:35  | Alternatives to Traditional Pesticides in the Landscape<br><i>Suzanne Wainwright-Evans, Buglady Consulting</i>   |
| 10:35 - 10:45 | Break  |
| 10:45 - 11:00 | Fertilizer Education Campaign<br><i>Valann Budischak, DNLA</i>   |
| 11:00 - 12:00 | Fertilizer Education Campaign Focus Groups   |
| 12:00 - 12:45 | Lunch  |
| 12:45 - 1:35  | You Can Reduce Pesticide and Fertilizer Use - Just Choose the Right Turfgrass<br><i>Dr. Stacy A. Bonos, Rutgers University</i>   |
| 1:35 - 2:30   | Proven Winners in the Landscape<br><i>John Gaydos, Proven Winners</i><br>An introduction to new Proven Winners plants and signature garden program, and the marketing and brand awareness of these true Winners.   |
| 2:30 - 3:00   | Do the Right Thing - Everybody Can<br><i>Daria Payne, Dansko</i><br>Sustainable practices in construction, operation and management are important, some more costly than others, but everyone can do something!  |
| 3:00 - 4:00   | Tour of Dansko Site in West Grove, PA<br><i>Daria Payne, Dansko</i><br>Join us for a tour of this great facility that features a cistern that recirculates water to the building, rain water collection with chains and barrels, meadows, permeable surfaces, rain gardens, living walls, green roof, solar panels and a community vegetable garden for employees. Dansko is just 20 minutes from Hockessin.                     |
